Technology Toys at the Library

Learn about robots, coding, virtual reality and more

Learn to use new technology

STEM is not just for kids! Adults and teens are invited to participate in a fun and interactive program that introduces new technology in a hands-on learning environment. The program will occur on Saturday, June 3 from 1-3 p.m. at the **Amanda Park Timberland Library**.

Explore Science, Technology, Engineering, and Math with a variety of technology toys. Play with Ozobots, build a LEGO® MINDSTORMS® robot, and learn some basic coding. We'll supply the toys, you bring your smartphone to try out Virtual Reality with Google Cardboard!

Ozobots @ the Library!

All Timberland Programs are free and open to the public. **The Amanda Park Timberland Library** is located at 6118 U.S. Highway 101. For more information, contact the library at (360) 288-2725 or visit www.TRL.org.

Timberland Regional Library provides for the information, reading and lifelong learning needs of the Grays Harbor, Lewis, Mason, Pacific and Thurston county public at 27 community public libraries and six library service partner locations. The library system is funded mainly by local property taxes. Anyone needing special accommodations to participate in a library's programs may contact the library one week in advance.
