Wolf Haven: Sanctuary and the Future of Wolves in North America

Every year, the Olympia Timberland Library marks the community-wide "Procession of the Species" with their own "Celebration of the Species." This year, the celebration is all about a new book: "Wolf Haven: Sanctuary and the Future of Wolves in North America." Come hear the story at the **Olympia Timberland Library, Thursday, April 27 from 7:30 - 8:45 p.m.**

Author Brenda Peterson and photographer Annie Marie Musselman will talk about the book and how it was inspired by the animals and the people of **Wolf Haven International**.

This program occurs after regular library hours. No other services will be available at that time.
