Searching for Otherworldly Truth
UFO investigator reflects on 30 years of work in the Pacific Northwest.

James Clarkson, UFO Investigator

"Tell My Story" - available at TRL

Solving mysteries has been at the heart of James Clarkson's long and varied law enforcement career. He spent 20 years on the Aberdeen police force. Before that, he was a military police investigator. Parallel to criminal investigations, Clarkson has pursued a different kind of truth. For 30 years, he has investigated accounts - over 700 of them - of earthly visits from non-human space travelers.

UFO Investigator James Clarkson will talk about his work at the Tumwater Timberland Library, Saturday, January 21 from 2-3:30 p.m.

Clarkson is the Washington State Director of the Mutual UFO Network (MUFON). "I'm not a UFO buff, believer or a dilettante," Clarkson states on his [website](#). He is a serious researcher who takes a systematic approach to investigating reported UFO sightings and experiences. Some of those sightings have occurred in Washington State, including over Mount Rainier in 1947 and in Grays Harbor County in 1979.

Clarkson has lectured throughout the U.S., in Europe, and has appeared on radio and television. He has written two books: "[Tell My Story: June Crain, The Air Force & UFO's](#)" and "[Westport UFO Crash Retrieval Event: A Case Study](#)."

All TRL programs are free and open to the public. [The Tumwater Timberland Library](#) is located at 7023 New Market St. For more information, call 360-943-7790 or visit www.TRL.org.

Timberland Regional Library serves the people of Grays Harbor, Lewis, Mason, Pacific and Thurston counties, with 27 community libraries and six partner locations. The library system is funded mainly by local property taxes. Anyone needing special accommodations to participate in a library program may contact the library one week in advance.
