## 81 Year Overdue Book returned to the Aberdeen Timberland Library

The Aberdeen Library staff was amazed when the book, "The Bounty Trilogy" by Charles Nordhoff and James Norman Hall was returned to the library...81 years overdue.

The library book with an original due date of March 30, 1942, was recently found in a storage unit, and returned by a patron. The staff calculated that if overdue fines had accrued at the rate of \$.02/day, barring holidays and Sundays as it outlines on the original library card, the patron would owe about \$484.80.

However, since the library has eliminated overdue fines, if this patron were to have returned this book today, [no fines would be collected!](#)
