

## Digital Literacy Resources

### DigitalLearn.org

DigitalLearn.org is a collection of self-directed tutorials to improve digital literacy. Courses cover basic skills, such as using a mouse & computer, navigating a web site, creating an email address and more specific topics like applying for jobs online, using Microsoft Word, searching for quality health information and staying safe online.

### Universal Class

Universal Class online learning courses for people interested in the lifelong pursuit of knowledge. There are over 500 courses that you can take at any time without waiting for sessions to start or end. Once enrolled in

a course, watch engaging videos, complete assignments, and receive feedback from instructors. For many courses a Continuing Education Unit (CEU) certificate is offered at successful completion.

### LinkedIn Learning for Library

Learn software, technology, creative, and business skills. Watch our YouTube Video to learn how to get logged in. For mobile access, see the apps page. The library ID is trl.

### Northstar Digital Literacy

Northstar Digital Literacy tests your computer skills. You can build skills in key areas, and demonstrate your knowledge by earning certificates and badges.

In the Olympia area? Visit the Teen Tech Tutors at the Olympia Timberland Library every first and third Friday from 4:30-5:45 PM. Get help with your computer, smartphone, or other device by working one-on-one with the library's great teen volunteers on a first-come, first-served basis. More information at [events.trl.org](https://events.trl.org)

### Books, ebooks and more!

Find books on topics like cybersecurity, software and smartphones on the shelf or in the catalog. These and many related topics are located at the beginning of the nonfiction section. Look for call numbers 004 and 005 or ask a staff member for help!

In our digital collection browse the "Computer Technology" topic to find a variety of downloadable ebooks and audiobooks.

### We're here to help!

Library staff are available to provide drop-in technology assistance. Bring your own device or use a library computer. For in-depth assistance, call ahead and staff can schedule a time to provide dedicated one-on-one technology assistance.

### TOOLS IN THE LIBRARY

Visit any of our 29 locations in Lewis, Pacific, Mason, Grays Harbor and Thurston Counties.
