

Use of Library Materials Policy

Purpose

To provide direction for the use of library materials.

Scope

This policy applies to all public service points of the Timberland Regional Library (TRL).

Policy

TRL determines limits and conditions on the use of materials to maximize equitable use within the library's budget.

- TRL loans materials for a specified period of time, considering demand, availability, and patron needs.
- TRL may limit the number of items a patron may have checked out or on hold at one time.
- TRL may charge fines for materials lost or damaged.
- Patrons are responsible for all use of their library cards, whether or not that use was with or without the patron's consent

TRL mails library materials to individuals within the five counties served by TRL who need accommodation to receive library materials.

TRL may offer extended loan periods to patrons needing accommodation.

Use of the library or its services may be denied for reasons which include, but are not limited to, failure to return library materials or equipment, failure to pay library fines and fees, destruction of library property, illegal activity in the library, or other inappropriate behavior as defined by the TRL Disruptive Patron Behavior Policy.

- Fines and fees may be appealed as defined in the Fees Policy.
- Patrons trespassed due to behavior may request a hearing within seven (7) days by writing to the Executive Director.

All library card privileges and restrictions apply to all library card holders including library employees, TRL Board members and volunteers.

The Executive Director is authorized to establish and enforce procedures and limits for library privileges and will inform the Board of Trustees of changes.
