

Americans with Disabilities Act - Equal Opportunity to Participate Policy

Purpose

Timberland Regional Library (TRL) is committed to ensuring that all individuals have the equal opportunity to participate in and receive the benefits of TRL services, programs, and activities.

Scope

This policy applies to all TRL patrons, employees, volunteers, and the general public.

Policy

This policy includes the opportunity to participate in all library programs, services, and activities, equivalent to that of individuals who are not disabled; and that individuals with disabilities shall not, on the basis of said disability, be screened out of a service, program, or activity. Nor, shall any individual be excluded from participation in or denied the benefits of these services, programs, or activities because of their disability.

TRL shall ensure that all programs and activities are accessible but will not necessarily make each and every facility accessible, as long as all programs are accessible. There are several means by which TRL can make its programs readily accessible and usable by individuals with disabilities, including:

- Redesigning equipment.
- Assigning services or programs to alternative, accessible buildings.
- Providing auxiliary aids.
- Providing outreach services; or
- Altering existing facilities or building new facilities.

TRL shall reasonably modify its policies, practices, or procedures to avoid discrimination. However, modifications will not occur where a particular modification would fundamentally alter the nature of the service, program, or activity.

Definitions

Qualified Individual: An individual with a disability who meets essential eligibility requirements for receipt of services or participation in programs, activities, or services with or without:

- Reasonable modification to a public entity's rules, policies, or practices.
- Removal of architectural communication or transportation barriers; or
- Provision of auxiliary aids and services.

Background

Title II of the Americans with Disabilities Act (ADA) prohibits discrimination against qualified individuals with disabilities in all programs, activities, and services of public entities. This

policy outlines the provisions of Title II of the ADA, and the rights and obligations of individuals and TRL under federal and state law.
