SERVICE STORIES

One resident said that she really appreciates Anywhere Library coming to visit and bringing her books since she isn't able to get to the library otherwise due to mobility and health limitations.

Many of the patrons today had not used the library in many years because they thought they had fines on their card and were unaware that we no longer charge overdue fees. Library staff were able to assure them that they don't owe anything and could get brand new library cards to start using again!

"Thank you so much for coming out to us! We greatly appreciate this service to our community."

"Anywhere Library is making readers out of kids who say they don't like to read."
