SERVICE STORIES

A patron who remembered library staff going above and beyond to help his family get signed up for library cards while their local library was closed for renovations stopped by specifically at Anywhere Library to thank staff and tell them how much it meant to him and what a great resource this has been for his family.

"It was so great to talk to you! I look forward to seeing you next month!"

"Wow! This is such an amazing resource!"

"Love it! My friends are getting their first library cards!"
