### SERVICE STORIES

A patron ordered a new library book that "kickstarted" his reading and now he looks forward to the Anywhere Library visit every month.

A patron who won a tablet through the Nisqually grant shared how she's using it to teach children about gardening for the Grange.

Students voted Anywhere Library one of the top afterschool programs and want visits again next year.

The students were very enthusiastic, shouting, "I love this!" when they were doing the air ball STEM activity.
