SERVICE STORIES

Anywhere Library staff helped a middle school student find books about his tribe. He was so excited to discover photos of tribal artwork that incorporated a particular tribal design he was looking for. His face absolutely lit up!

Two young siblings checked out Library of Things backpacks so they could learn about science together.

"It saves me so much time and effort. I don't have to go into town except for groceries now. Thank you, Timberland!"

"We love seeing your van pull in! It's so great that you come out here!"

"I can't believe I didn't know about this! What a cool idea!"
