

AtoZ the USA

QUICK START GUIDE

Overview

AtoZ the USA is a comprehensive encyclopedic resource that provides detailed information about all 50 US states, five territories, and the District of Columbia. Great for state reports, projects, and presentations, with tens of thousands of royalty-free images that can be downloaded for non-commercial use. Find information on culture, people, and symbols, history and geography, government and politics, and more.

To access AtoZ USA:

Go to trl.org and log into your account using your library card and pin number. Then click the **AtoZ: The USA** link on TRL's website. This will ensure the links in this document open correctly.

Pronunciation Guides

Spoken Video Guides

Find short video pronunciation guides for U.S. Geography topics, including states, state capitals, territories, cities, and major lakes and rivers. Choose from topics in the leftmost sidebar.

State Overviews

Explore Washington

Find detailed information on any state by clicking "Information by State" on the homepage and choosing a state from the list on the righthand sidebar **or** clicking on a state from the map. Topics include state facts, plants and animals, climate and weather, economy, education, flag and seal, food and recipes, and more.

Country Snapshot

United States

Find detailed information from the Country Overview section. From the leftmost sidebar, find overviews for trade and culture, and choose between topics such as economy and trade, historical timelines, indigenous people, music, religion, and more.
