NOV 3

On November 3, voters will decide whether to approve a **levy lid lift** that would **help support library services for the communities we serve.**

If the measure is **approved:**

More open, staffed hours and days will be **added** throughout the district as well as increased collections & reduced wait times.

If the measure is **rejected:**

Library hours, services, staffing and collections would be **reduced.**

Learn more about the levy and how it supports your community at [TRL.org](https://www.ttrl.org)
